Edward Clifford, MD, FACS, Named One of Dallas' Top Doctors  
by *D Magazine*

(October 28, 2009) Irving, Texas—Surgical Group of North Texas announced today that Dr. Ed Clifford has been named on the list of the *Best Doctors in Dallas 2009* by *D Magazine*. He is featured in the top ten list of breast surgeons.

Included in the November, 2009 issue which is on newsstands now, this list is determined by fellow doctors covering more than 40 specialties. Doctors are asked to vote on their top colleagues. Then an independent panel of esteemed local physicians reviews the list prior to publication.

"I am honored to be recognized by colleagues and physicians in the Dallas area," says Dr. Clifford. "I appreciate their recognition and support. I am passionate about making sure my patients receive the highest quality care that is conservative, yet leading-edge. I enjoy the rewards of getting to personally know my patients, guiding them through the often bewildering journey of breast cancer, and watching them return to fulfilling lives."

He is a member of both Society of Surgical Oncology and American Society of Breast Surgeons. Dr. Clifford went to medical school at University of Texas Southwestern Medical School in Dallas. His surgical training was at St. Paul University Hospital in Dallas where he was Chief Resident his final year.

Dr. Clifford is one of four surgeons that make up the Surgical Group of North Texas, which also specializes in bariatric surgery, advanced laparoscopic surgery and oncologic surgery. These doctors of SGNT are both well-respected by their colleagues and preferred by patients for their personable approach to patient care. They are dedicated to high quality, continual care.

- More -

SGNT has two Dallas area locations for the convenience of its patients, in Irving and Grapevine. The Irving office is located at 2001 North MacArthur Boulevard. To make an appointment at this location, call 972-254-9399. The Grapevine office is at 1600 W College St., Suite LL10. For an appointment at this location, call 817-251-0070. Breast cancer patients can also be seen at the Grapevine Women's Imaging Center at 2020 W. State Hwy 114, Suite 100. A surgeon in the group will be available each day of the week, offering continual care to the patients.
